Notes

1. All parents/guardians are urged to pay fees at the regular level, in order to aid the school's growth and development. However, in order to encourage local families whose children would not otherwise be able to come to the school on account of the fee level, on request, local parents/guardians are offered deeply discounted fees. To qualify for "Barbadian" fees, either the child or one of the parents must possess either a Barbadian passport or a Barbadian birth certificate. A similar condition applies for Caribbean non-national children, i.e. from CARICOM member states or associate members as listed on the page before.
2. There is no proration of fees for students who leave early in the term. For students who arrive on or after the following dates in each of the first two terms, only half of the initial term's fees are payable: 31st October 2018 in the Michaelmas term; 25th February 2019 in the Easter term. Note this does not apply to the third term.
3. Most curricular costs, field trips and materials are funded by the school and the "Resource Fee" assists in this matter. All swimming costs are funded in full by the school.
4. Payment may be made by cash, cheque or MasterCard/Visa credit card. If payment is made by credit card, the school adds a fee of approximately 5% to cover processing and bank charges.
5. A student's place in school may be forfeited if the fees are not paid on time, particularly if there is a waiting list for any particular year level. In any case, a late fee of 1.5% per month, or part of a month, per student, is levied when fees are not paid on the due date (or, in the case of a new student, within two weeks of acceptance). Thus, for example, fees paid five weeks late attract a late fee of 3%. If fees are not paid before the first day of term, the student's name will not appear on class lists and he/she will not be allowed to attend school until the fees are paid in full.
6. All fees in connection with external examinations are payable by parents/guardians.
7. Additional fees will be added in DP for participation in online courses and/or Design.
8. For Graduating students (DP2 only) all fees for the academic year need to be paid by the 15th March in order for the student to be entered and allowed to sit their final IB examinations. If fees are not paid before this date students will be withdrawn from the examinations.
9. The school is keen to encourage the attendance at The Codrington School of large families. In cases where there are three or more children from a family registered as fee-paying students at the school at the same time a bursary of 10% of the relevant fee level will be applied to each child.
10. A full term's notice in writing or the fee for one full term in lieu of notice is required before **withdrawing a student**. Withdrawal forms are available from the director of admissions at the school (admissions@codrington.edu.bb). School records are normally released only if all withdrawal protocols have been met.
11. New students entering during the course of the school year will receive an invoice upon entry, payment of which is required within two weeks of acceptance.
12. Money transfers in **Barbadian dollars** may be made to the following bank account. **Please ensure that the transfer details include the student's name.**

Broad Street

Account #: 9013528
Swift code: NOSCB BBB
